

Y1/2 Mathematics Yearly Overview

| Y1 / 2 | | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
|--------|----|---|-------------------|-------------------------------------|--|---------------------------------------|--|---|--|----------------------------------|--|---------------|----|
| Autumn | Y1 | Number: Place Value (within 20) | | | Number: Addition and Subtraction (within 20 inc. recognising money) | | | | | | Number: Place value and Multiplication (within 50) | | |
| | Y2 | Number: Place Value (numbers to 200) | | | Number: Addition and Subtraction (within 100 inc. inc. money) | | | | | | Number: Multiplication | | |
| Spring | Y1 | Number: Division and Consolidation | | Number: Place Value (within 100) | | Measurement : length and height | Geometry: Shape and Consolidation | | Number: Fractions and Consolidation | | | Consolidation | |
| | Y2 | Number: Division | | Number: Statistics | | Measuremen: Length and Height | Geometry: properties of shape | | Number: Fractions | | | Consolidation | |
| Summer | Y1 | Geometry: Position and direction | Measurement: Time | | Problem solving and efficient methods | | Measurement: Weight and volume | | | Consolidation and investigations | | | |
| | Y2 | Geometry: Position and direction | Measurement: Time | | Problem solving and efficient methods | | Measurement: Mass, capacity and temperature | | | Consolidation and investigations | | | |
